# Veil® Intelligent Toilet

The flowing lines and balanced curves of the Veil intelligent toilet are the epitome of minimalist design. Veil's suite of finely tuned features provides optimum hygiene options along with personalized comfort that will leave you feeling a cleaner kind of clean.

## CLEANSING FUNCTIONS

### Warm-water cleansing

Front and rear warm-water cleansing is a refreshing alternative to toilet tissue alone and will leave you feeling a cleaner kind of clean

### Self-cleaning wand

Upon sitting down, the stainless steel cleansing wand rinses itself before use and again following use. In addition, the wand is automatically cleaned with UV light every 24 hours for hygienic assurance

### Adjustable temperature, pressure and position

Personalize your entire experience by easily adjusting the water temperature, pressure and spray position with intuitive controls

## NIGHTLIGHT AND HEATING FUNCTIONS

### Nightlight

A built-in light sensor automatically turns the nightlight on in dim light to help guide you to the toilet without having to turn on your overhead lights and disturb your nighttime vision

### Heated seat

The ergonomically designed seat is heated and the temperature can be adjusted for optimal comfort

## AUTOMATED FUNCTIONS

### Warm-air dryer

The automatic warm-air dryer can be adjusted to customize your experience and assists in the drying process to help provide personal comfort and assurance

### Hands-free lid and flush

The motion-activated lid and flush mean fewer germs to pick up or leave behind

### Deodorizing seat

Upon sitting down, a fan activates, which pulls air from the toilet bowl through a carbon filter to remove odors and help keep your bathroom fresh

### Water-saving flush\*

Choose between a 0.8-gallon flush for fluid waste and a 1.28-gallon flush for solid waste—saving water without sacrificing performance

### Other features include:

- English-language wireless remote control with LCD touch screen
- Emergency flush feature for power outages
