

Components™

Bathroom Faucet and Accessory Collection

KOHLER®

Designed to be Designed.

Components™ is a full collection for the contemporary bathroom that speaks to the many facets of modern design. Every element, from spouts and handles to the accessories that complete the space, is designed to feel like a minimalist piece of modern sculpture.

The collection invites you to design your own signature look by combining a faucet spout with your style of handles. The different spout and handle combinations within this curated collection allow you to bring a touch of your personality into the room. Once you have found a style that speaks to your taste, select your finish and bring the entire room together with Components showering designs and accessories.

With different combinations creating distinct looks, Components is a versatile collection that was designed to be designed. By you.

Create the look you want

Choose a spout, handles and finish to personalize the space.

ComponentsTM

1. Choose your spout.

2. Choose your handle.

3. Choose your finish.

Modern Form.

Designers paid meticulous attention to every line and angle to create the controlled forms and stark precision of the Components™ collection's spouts.

Ribbon Spout

Coyly couture in a sweeping architectural aesthetic.

Row Spout

Monumental yet playful in its striking modernism, featuring laminar flow for a smooth stream of water.

Tube Spout

Sublimely stark and statuesque in its design, complete with laminar flow for less splash in the water flow.

Modern Function.

Each handle within the Components™ collection is distinct and features a unique activation with intuitive control.

Oyl Handle

Inspired by precision-tooled gauges and dials.

Industrial Handle

Influenced by machine valves and factory pipes.

Lever Handle

A sleek, minimalist approach to manufacturing-style levers.

Rocker Handle

Features a unique back-and-forth movement with smooth control.

The versatility and personalization of the Components™ collection enables it to be used in a wide range of looks and styles. Combine a spout, handles and finish to create the perfect look for the room you want.
